Subject: Water Level Probe Replacement Kits

Date: February 27, 2004

Applies to: See below

The water level probe assemblies have been changed on several brewer models. The new assemblies have a plastic fitting instead of brass.

The replacement part numbers listed below include the probe, locknut, washer, and plastic fitting. The probe wire is also included except as noted.

MODEL	OLD PART #	REPLACED BY PART #	
TBS-21A	102151	K025	
CBS-18 (1.5 liter)	102093	K026	
CBS-18 (1.8 liter)	102083	K027	
CBS-2018 (1.5 liter)	102186	K030	wire not included
CBS-2018 (1.8 liter)	102185	K031	wire not included
CBS-2031* CBS-2032*	102139	K028	
CBS-2041* CBS-2042* CBS-2051* CBS-2052*	102134	K029	

* This does not apply to 2000e series models: CBS-2031e, 2032e, 2041e, 2042e, 2051e, 2052e.
