

Fetco Zurich™ Pourover Brewer CBS-2121PW

Instructions to reinstall factory disabled glass decanter warmers

NOTE: this procedure must be performed by a qualified service technician!

1: Unplug the machine.

2: Remove the 2 screws on the top cover.

3: Gently set top cover to the side without disconnecting any wires.

4: Pull up water pan and unseat from tank grommet.

5: Gently set water pan to the side without removing the hose.

6: Cut zip tie to gain access to switch wires.

7: Cut protective shrink wrap from switch terminal connectors. Do not cut 2nd layer of shrink wrap on terminals.

8: Install black wire to bottom switch terminal with black wire, and brown wire to bottom switch with brown wire.
