## Large Venue Solutions

beverage brewing and dispensing equipment

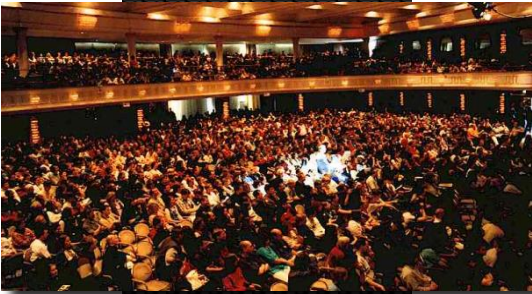

Convention Centers • Casinos • Stadiums • Mega Churches • Banquet Halls

beverage brewing and dispensing equipment

### RESORT AND CASINO

FETCO has the right equipment solutions for providing quality high-volume drip coffee service throughout mega resorts and casinos. Rolling carts (sold separately) make transporting multiple gallons of coffee a breeze.

### HALLS / THEATER / MEGACHURCH

Whether it's for before or after services, or during intermission of a hit show, your audience deserves a refreshing cup of coffee. FETCO equipment can handle a "packed-house" and is always ready for the encore!

### STADIUMS

Serving hot dogs isn't enough anymore, fans crave a robust menu. FETCO satellite equipment can help create multiple coffee serving stations within an entire stadium or gallons of hot water for steaming hot chocolate.

### CONVENTION AND CONFERENCE CENTERS

Great tasting coffee service for either a 20 person retreat or a 20,000 person tradeshow is no problem with reliable FETCO equipment.

### Satellite Coffee Brewers (3 – 6 gallons)

6000H Series
