DEVELOPED BY HARDTANK

MANUFACTURED BY FETCO®

HARDTANK

BY  FETCO®

FEATURES

SPEED & EFFICIENCY

Allows you to extract 4 liters of beverage out of coffee, tea, herbs or spirits in less than one hour.

FLEXIBILITY

Smaller capacity allows for more experimentation across beverages, while still producing up to 30 liters per day.

SHELF LIFE

Short extraction in a closed container eliminates oxidation risk and increases shelf life.

DESIGN

HardTank is designed for coffee shops, bars, restaurants, and domestic users. It has a small footprint, is versatile, and is easy to use.

HYGIENE

An automatic cleaning program and dedicated cleaning products guarantee stability and safety throughout the production process.
